FROM BREATH MINT TO COLLECTOR'S TREASURE

The success story of PEZ candy started nearly a century ago in Austria. In 1927, Eduard Haas III invented a new peppermint candy and called it PEZ (after the German word for peppermint, **PfefferminZ**). It was originally meant to freshen the breath of the upper classes and was sold in pocket tins.

In the early 1960s, PEZ introduced dispensers that were appealing to children. The inimitable combination of tasty candy and fun dispenser was born, and so began PEZ's triumphal success around the world.

PEZ Candy + PEZ Dispensers = Worldwide Success

In 1962, the first licensing agreement with Walt Disney was signed. Placing heads of cultural icons on the candy dispensers added the final touch to the unique product of PEZ. Almost instantly, children and the young-at-heart started collecting, refilling and trading the different dispensers in schoolyards and offices.

Today, more than 65 million PEZ dispensers are sold a year. That means more than 4.2 billion of the delicious brick-shaped PEZ candies are consumed every year. Product innovations and state-of-the-art production conditions guarantee PEZ's continuing lead in the market.

MORE CHARACTERS, MORE FUN

PEZ regularly adds new characters to the cast. That means PEZ lovers and collectors always have a new reason to keep buying PEZ. At the moment, the product range consists of more than 80 different figures.

CANDIES FOR EACH FLAVOUR

Though the characteristic brick shape of the PEZ candy has never changed, new flavours have been added to appeal to different tastes and to offer variety. Children just love to try new things!

Fruity favorites: Strawberry, Orange, Lemon, Cherry and Raspberry

Seasonal treats: Raspberry-Lemon and Peach, Strawberry-Vanilla and Tangerine

Sour flavours: Pineapple, Blue Raspberry, Green Apple and Watermelon

Cola flavour

And don't forget PEZ minis: They're the little ones with the BIG taste. With classic flavours of Strawberry, Orange, Lemon, Cherry and Raspberry, they are hugely popular among children.

MINIS:
The little ones with the big taste.

SINGLE REFILL:

Plenty of different flavours!

PERFECT PRESENTATION GUARANTEES GREAT SALES

Sell more with inspiring candy presentations! From big supermarket to small outlet, PEZ has fantastic product displays for businesses of all sizes. PEZ displays are sure to catch the eye on shelves, table tops and near the cash register.

ATTRACTIVE DISPLAYS BOOST SALES

Our product presentations are like the perfect sales pitch. PEZ offers a complete range of shop displays to ensure that all PEZ products are presented in a way that's proven to capture the attention of the customers. Circular product displays take center stage while the semi-circular designs can be placed against a wall, thus maximizing the sales power of every retail space. Different sizes cater to different needs: The "large" rack presents 4 levels of PEZ candy and the "medium" size presents 3 levels. All the point-of-sale displays, the crowners in a variety of designs and the eye-catching wobblers have one thing in common: They drive sales all year round.
