# PEZ – A STORY OF SUCCESS

The success story of PEZ candy started nearly a century ago in Austria. In 1927, Eduard Haas III invented a new peppermint candy and called it PEZ (after the German word for peppermint, **PfeffErminZ**). It was originally meant to freshen the breath of the upper classes and was sold in pocket tins.

In 1962, the first licensing agreement with Walt Disney was signed. The inimitable combination of tasty candy and fun dispenser was born, and so began PEZ's triumphal success around the world.

## PEZ Candy + PEZ Dispensers = Worldwide Success

Placing heads of cultural icons on the candy dispensers added the final touch to the unique product of PEZ. Almost instantly, children and the young-at-heart started collecting, refilling and trading the different dispensers in schoolyards and offices.

Today, more than 65 million PEZ dispensers and more than 4.2 billion of the delicious brick-shaped PEZ candies are sold every year.

## MORE CHARACTERS, MORE FUN

PEZ regularly adds new characters to the cast. That means PEZ lovers and collectors always have a new reason to keep buying PEZ. At the moment, the product range consists of more than 80 different figures.
