# PEZ – A STORY OF SUCCESS

The success story of PEZ candy started nearly a century ago in Austria. In 1927, Eduard Haas III invented a new peppermint candy and called it PEZ (after the German word for peppermint: **P**feff**E**rmin**Z**). It was originally meant to freshen the breath of the upper classes and was sold in pocket tins.

In 1962, the first licensing agreement with Walt Disney was signed. The inimitable combination of tasty candy and fun dispenser was born, and so began PEZ's triumphal success around the world.

Today, more than 65 million PEZ dispensers and more than 4.2 billion of the delicious brick-shaped PEZ candies are sold every year.
