# PEZ – A STORY OF SUCCESS

## 1927 | The early days

The Austrian Eduard Haas III produces the first peppermint candies. This is also the hour of birth of the three famous characters: P E Z – derived from the German word for peppermint: „PFEFFERMINZ“.

## 1949 | Smoking prohibited – PEZing allowed!

In 1949, the first PEZ dispenser is launched in the form of a lighter. The motto “No smoking - PEZing allowed” is the slogan at the time.

## 1962 | Sparkling children’s eyes!

The first contact with Walt Disney is concluded: Mickey & Co and the PEZ candies with fruit flavour make children’s hearts leap for joy from now on. The success formula of PEZ: enjoying candies, playing and collecting, is still valid today.

## 2011 | The shooting star!

In August 2011, PEZ increases its product range by another product: PEZ soft. Both candies and dispensers differ significantly from the known products. This product range includes soft fruit gums instead of the usual candies. Instead of the known PEZ dispensers, there are so-called “action dispensers” with which the fruit gum can be catapulted.

## 2013 | The original is back!

Refresh your style with PEZ Peppermint! The classic from 1927 is reborn in a sugarfree way.

## Today | Not in the least quiet!

Today PEZ is in over 80 countries. 65 million dispensers sold annually! 4.2 billion PEZ candies consumed per year!
